WHAT ARE THE LAW'S PROTECTIONS?

THE LAW ALLOWS MASSACHUSETTS RESIDENTS TO AVOID UNWANTED TELEMARKETING CALLS TO THEIR HOMES. THERE IS NO FEE FOR MASSACHUSETTS RESIDENTIAL TELEPHONE CUSTOMERS TO REGISTER ON THE LIST. THE LIST IS PROVIDED TO TELEMARKETERS QUARTERLY. IT MAY TAKE UP TO 90 DAYS AFTER YOU SIGN UP FOR UNSOLICITED SALES CALLS TO STOP.

Soliciting telephone calls may not be made to Massachusetts consumers (even those not on the registry) between the hours of 8 p.m. and 8 a.m.; also soliciting faxes and telephone solicitations using recorded message devices cannot be made at any time; telemarketers cannot use blocking devices to stop an individual's caller identification device.

There are exceptions to the law: You may still receive certain telephone calls, including:

Noncommercial polls or surveys; calls made by tax-exempt non-profit organizations; calls made to consumers with that consumer's express permission; calls made to consumers in response to a visit to that company's fixed commercial location; sales calls made primarily in connection with an existing contract or debt; sales calls to an existing customer; sales calls in the context of ongoing sales when face to-face presentations or meetings are needed for payment.
